Compact Laminate Interior panels are perfect for high quality Interior design, in so many instances. Compact Laminate Interior, the head of the family of Compact Form products, presents itself with the unmistakable black interior — the Black Core.

It resist just about everything: wear and tear, humidity, steam, ultraviolet rays, termites, fungi, spores and mildew.

Dependable, durable and decorative, these carefully developed laminates with sided décor are both sleek and robust. Thanks to this extensive selection, these panels blend harmoniously into the overall look of any room — fulfilling your design requirements beautifully.

Compact Laminate Interior is suitable for even the most challenging applications, as within medical, sanitary and cubicle sectors. The panels are also available with white core.
